

# Wilton Community Center presents a Seed Bomb Workshop!

Stasia Millett will guide you in creating your own Bombs of Beauty to brighten up empty spaces in your garden, along the roadside, in sad places or wherever pollinators need to visit. Seeds (with fertilizer) include Anise Hyssop, Lupine, Coneflower, Sweet Williams, Giant Zinnias, Pinks, Imperial Rocket Larkspur – and several more. After a few weeks, watch hummingbirds, bumble-bees, wasps, honeybees, and butterflies come to visit!
