Winter Seed Sowing

Presentation by Master Gardener Barb Young of The Big Little Garden, with hands-on instruction to get you started on your own winter seed sowing journey.

Get a head start on your garden! Learn about germination, how to leverage freeze/thaw cycles, and which plants work best with this method. This less labor-intensive approach requires no grow lights, no heat mats, and no hardening off!

Supplies provided to make a few winter sowing containers to set you up for success this year! Choose from a selection of annual and perennial seeds to sow in your pot(s). B.Y.O.Seeds and small pots if you would like.
